

I have been riding the van since I was a freshman and being able to do this has really added to my Mercy experience. We are a family on the van and most mornings we are sleeping, but rides home are full of laughter. Mark and Roy are great drivers and we all love them. Plus the van works around our sports and extra curricular activities letting us have the real Mercy experience." *Maggie Keller—Student from St. Joseph Parish*

The Van is fun! We talk and share like a family. Everyone is really nice and they all welcomed me and made me feel comfortable right away. The drivers on the van are super nice. They always make sure I'm where I need to be. They take me to and from practices and wait for me. They are there for me when I need them. I like riding the van!

"I love the van because we are like a family. We all get along. I am going to miss all the good memories. And Mark and Roy are such great people with huge hearts. I am so glad I got the chance to ride the van."

The van has always been very convenient and other van parents are very helpful when I am needed early at St. Joseph School for meetings. Mary Reifert - Cheek St. Anne's in Cottonwood

MERCY OR BUST! LEAVE THE DRIVING TO US!

What Mercy High students
and parents have to say
about the van to Mercy.

I like riding the van because I know the drivers and they are really nice to me and everyone. I also like how everyone is friendly to each other. This is the first year I have been riding the van because I am a freshman but I am enjoying it very much.

Julia Misslin –Student from St. Joseph Parish.

The van gives me great piece of mind, knowing the drivers always make sure my kids are where they need to be.....safely. They are very accommodating and make the kids feel really special. The economic value is tremendous. It saves us on the wear on our vehicles, gas, and huge amounts of time. I feel my children are in the safe hands of people that really care. The Van is truly a blessing!
Leslie Ashurst:- Parent

"I love knowing that my daughter is safe and in good hands. The van is very convenient." Terri Misslin– Parent

Please spread the word about the convenience of the Mercy van to friends and neighbors who have 8th grade students.
